

Dear Mariza,

It always brings joy to think of you! Fatima & Lourdes have so strengthened my faith in God, and made me love Mother Mary more and more each day. My first pilgrimage, for which you gave so much love in your efforts in putting it together and making it to a great pilgrimage is vividly remembered with gratitude and love. You have definitely a big hand in turning around many lives becoming better believers and devout Catholics. Fatima settled my conviction that the Catholic Church is the only true Church of God founded by Jesus! Thank you! God bless you always.
